After an eight-year vacancy, Bettendorf's State Street Fire Station is
set to reopen July 1.

The Bettendorf City Council

item included seven promotions
within the department and a revised,
one-year collective bargaining
contract that includes wage restructuring between the city and the firefighters' union.

During Monday's discussion at the
council's committee-of-the-whole
meeting, City Administrator Decker

reached an agreement with the Bettendorf Professional Firefighters

The city plans to staff the station at 1609 State St. with three firefighters and either a captain or a lieutenant by July 1 at the latest. In February, Floeths said the current budget did not have room for any promotions.

Branstad defends fertilizer plant amid layoffs

Egypt-based Orascom Construction Industries is building a plant in Wever that will produce 2 million tons of fertilizer per year, according to the company. The plant is altaed to be up and running late this year.

The company in April changed contractors on the project and laid off workers. Recently, the company has advertised for workers in other states.

How much more will the Romney-Ryan Medicare plan cost you?

Learn how much you and your family would have to pay

Gov. Mitt Romney and Rep. Paul Ryan want to convert the Medicare program into a voucher system for people who are under 55 years of age. Under their plan seniors would receive vouchers to purchase health insurance from private insurance companies or from traditional Medicare. If premiums for Medicare or the private plan they choose cost more than the voucher amount, seniors will have to pay the difference themselves. The Romney-Ryan plan would also convert Medicaid into a block grant program and repeal the Affordable Care Act. Gov. Romney and Rep. Ryan claim that no one over 55 will be affected by their health care plan. This claim is false. Their plan would harm all seniors.

Road trip! Loaded the van & set off for IA. Met a great family when we stopped this afternoon. Many more to come. -H

I'm sure there were hiccups in the beginning, but pulling together an all-digital launch is never easy. Seriously, congrats to Team Clinton.
